We have 5 permanent enthusiastic and experienced GP Partners, who maintain high standards of continuity of care. We do not use locum GPs. We also have a fantastic nursing team and we pride ourselves in our patient relationships.

To register please visit our website [www.farlanemedicalcentre.co.uk](http://www.farlanemedicalcentre.co.uk) and download the forms, or alternatively call in to the practice and register today. Upon registering you have the choice to access a free health check with our friendly nurse associate. We look forward to welcoming you to our practice!
